Re: United States v. Alexis Morales  
Criminal No. 04-40019-FDS

Dear Mr. Masferrer:

This letter provides you with Section 3500 material in connection with the trial of the above-referenced case. Enclosed is a packet of information provided by the chemist, Kristina McNeal who, in the absence of a stipulation, will testify to the forensic chemical analysis of the substance recovered from the Mountaineer in which Morales was an occupant.

Also enclosed is a police report prepared by Officer Nathan Reando regarding a prior possession of crack by defendant.

Lastly, I enclose a photocopy of government exhibits, most of which you already have, and a revised witness list.

Very truly yours,

MICHAEL J. SULLIVAN  
United States Attorney
